Action Taken Report
Student and Parents' Feedback 2019-2020

The IQAC has collected Feedback from the students and the parents about the College and about the teachers, at the end of academic year 2019-2020. The Feedback Analysis Committee analyzed the feedback. The Feedback Analysis Report was put up in the College Development Committee (CDC) meeting and then in the Management meeting. The Management has taken a positive note of the suggestions made and has directed the IQC to submit a detailed plan of action for the qualitative improvement in the teaching-learning activity.

01. The students have suggested to develop a Botanical Garden in the College.

Action Taken: The Management has accorded approval to develop a Botanical Garden. A space of about 3000 sq. feet has been earmarked for the garden and a protective wire fencing has been erected around. Plantation has already been started in the provided space.

02. Some of the students suggested to increase washroom facilities for the girls and the boys as well.

Action Taken: The Management has built separate washrooms for the girls and boys.

03. Some of the parents suggested to start Extracurricular/Skill enhancement courses.

Action Taken: The Management is pleased to introduce value added/ Skill enhancement courses from the academic year 2020-21.

04. Some parents even suggested to conduct more extension activities.

Action Taken: The NSS department, The Student Development Cell and The Equal Opportunity Cell are entrusted with the job of conducting a greater number of extension/ outreach activities.

ACTION TAKEN REPORT: TEACHERS' FEEDBACK 2019-2020

Teachers' feedback was collected and analysed at the end of Academic Year 2019-2020. The Feedback Analysis Report was put up in the College Development Committee (CDC) and forwarded to the Management for approval. The Management has taken a positive note of the suggestions made and has directed the IQAC to submit detailed plan of action for the qualitative improvement in the teaching- learning activity. The IQAC has made concrete suggestions to the Management for the improvement.

Suggestions made:

- i. LCD projectors should be provided in each lab for ICT based teaching.
- ii. Allot spacious reading room for boys.
- iii. Start value added/ skill enhancement courses.
- iv. PG courses in some subjects should be started.
- v. Compound wall is needed for the security.
- vi. Well-developed sports ground and indoor sports facilities to be provided.
- vii. The institution should make Linkages with industries.
- viii. Medicinal Garden should be developed.
- ix. Develop alternative sources of energy conservation.
- x. Wi-Fi and internet facilities should be provided to students.

Action Taken:

1. Three more ICT classrooms/ Labs have been developed taking the total tally to six ICT-based classrooms/Labs.
2. The boys' reading room has been moderately renovated to accommodate a greater number of students.
3. The Management is pleased to introduce ten value added/ skill enhancement courses for providing the students with skill-based education.
4. The Management has decided to introduce PG courses in the distance mode, if not in the regular mode.

5. As the suggestion of the outer compound wall involves heavy budget, the Management has decided to protect academic as well as the garden area with an internal iron fencing which also serves for the purpose of boundary for both, the Botanical as well as medicinal gardens.
6. Already the sports facilities for Javelin-throw and Volleyball are existing in the playground. Two more outdoor sports facilities, Kabaddi and Basketball, have been added in the current academic year.
07. The indoor sports facilities including Table-Tennis, Carrom, Chess and Gym have been upgraded in the present academic year.
08. The Management has accorded approval to IQAC Proposal of establishing Collaborations & Linkages through MOU.
09. To strengthen further one of the two Best Practices of the College, 'Herbs for Healthy Life', the College Management has decided that a part of the Botanical Garden has to be earmarked for the Medicinal Garden.
10. Internet facilities have been provided to the students in the Computer Science Lab and the efforts to make the campus Wi-Fi are underway.
