A Report on
One Day National Webinar on
'Implications of Restructuring Higher Education Institutes as Visualised in National Education Policy (NEP)-2020'

According to the National Education Policy-2020, A good education institution is one in which every student feels welcomed and cared for, where a safe and stimulating learning environment exists, where a wide range of learning experiences are offered, and where good physical infrastructure and appropriate resources conducive to learning are available to all students. Attaining these qualities must be the goal of every educational institution. Considering these facts, the IQAC of the College, organised One Day National Webinar on *'Implications of Restructuring Higher Education Institutes as Visualised in National Education Policy (NEP)-2020'*.

Dr. D. N. More, Asso. Prof. and Head, Dept of English, and a well-known Educationist expressed views on NEP-2020. He emphasised that the present-day educational institutions need to change positively to cope up with the new education policy, otherwise, the education system would be hampered drastically and the basic purpose of fundamental education to every child would not be achieved.

The Webinar was inaugurated by Shri Govindrao Kadam, Member, SENATE, SRTM University Nanded, and Secretary, SGBSP Santha, Purna. On the onset of the Webinar, Dr. K. Rajkumar, Principal and Chief Organizer, in his introductory address, welcomed all the participants and expressed his views on the new education policy. Dr. Sanjay Dalvi, Co-ordinator, IQAC, and Convener briefed the purpose of the webinar.

The Webinar was organised on GoToMeeting online platforms. About one hundred and fifty people from various states of India were benefitted by the Webinar. Dr. G.D. Kurundkar, Organizing Secretary, expressed vote of thanks.
