About Science Exhibition

The Regional Science Exhibition on "Science & Technology for Better Future" will be held on **28th March 2023**, to motivate and update the thinking ability of Secondary, Higher Secondary and Under graduate students, in the various upcoming field such as Environmental Sciences, Biological Science, Physical Science, Mathematical Science, etc. & its application by providing a forum for novel ideas, methods and techniques.

The Science Exhibition will help to bring many experts, academicians, and students to exchange innovative ideas, Plans, views for the better Self and educational development.

About College

Late Digambarrao Bindu Smarak Samiti's Digambarrao Bindu ACS College, Bhokar was established in 1989 by our visionary founding father freedom fighter and social worker honorable **Late. Bhujangrao Patil Kinhalakar**. He named it by the name of his ideal colleague and senior freedom fighter Late Digambarrao Bindu. Since then, the college has been operating with high ideals and imparting quality education. The college has played a key role in spreading education in the rural and backward surroundings. Under the able leadership of our present president honorable **Dr. Madhavrao Patil Kinhalakar** (Former Minister of the state of Maharashtra) the college has progressed considerably in both infrastructure related and academic aspects His experience as an administrator and his developmental vision has been the source of inspiration for us. Our vision is to provide value-based education and generate human resources equipped with advanced skills. Our mission is to make the students aware about the career opportunities available through the programmes offered, to refine personalities of students with a positive approach, to reach to students in the area who are eligible but deprived of Higher Education, to create environmental and social awareness by giving exposure to students with various activities. The goal is to provide quality education by offering skill-based courses.

In 2011-12 we added science faculty to the previous arts and commerce faculties. Now we also run P. G. department in commerce. We also have Buddha Study Centre, Nehru Study Centre, Gandhi Study Centre. We have run several vocational courses under various UGC schemes from time to time. Besides the curricular activities, the college has always participated actively in various co-curricular, extra-curricular, and sports activities. We have a well-equipped department with indoor and outdoor games facilities. Our NSS department has consistently contributed to the service of the nation. In nutshell, the college is marching strongly on the path of excellence. Some recent appreciation given to our efforts in quality higher education are:

The college was re-accredited with 'B++' grade with CGPA 2.87 in **NAAC 3rd Cycle** in 2023. The Swami Ramanand Teerth Marathwada University, Nanded (SRTMU) has awarded **Best College Magazine Award** to the annual magazine of the college 'Vedan' since 2009 consecutively. The college was rewarded with the **Best Examination Center Award** by the University in 2013-14. The government of Maharashtra has awarded a cash prize of **Two Lakh rupees** to the college for contribution of our NSS department in **BEST** practices for women empowerment under the Maharashtra government campaign '**Jagar Janivancha**' in 2013-14, and a prize of **twenty-five thousand rupees** for the similar activity in the year 2012-13. College has received overall **Grade "A"** with **80.51** percentiles in **Academic and Administrative Audit** in January 2020 by the Academic council of the **S.R.T.M. University, Nanded** on the recommendation of duly constituted committee as per the Maharashtra public university act 2016. We have been honored by the **Best Principal Award** by the SRTM University, Nanded in the year 2017-18.

In 2018-19 the prestigious **Best College Award** was given to the college by the SRTM University. The college has always encouraged research and quality enhancement of the faculties and students. In recent years one of the best practices of our college has been the Science Expo organized by the Science club. The Science expo is designed to promote the scientific point of view among students and to give them exposure for presenting their novel ideas. It includes various competitions including a) Science Exhibition b) Seminar competition c) Elocution competition d) Poster/Photography competition e) Science scholar quiz competition. Students from First standard to P.G., participate in different groups. The science club has been successful in attracting students to taking science related courses and participating in research. The IQAC has conducted innovative programmes like Country Wide Classroom (CWC) to facilitate students participating in online teaching-learning activities and continue their education in the challenging Covid-19 situation.

Most of our faculties have research experience; We have successfully organized several UGC sponsored national level seminars, conferences, and University workshops. In the current covid-19 Corona situation, during the lockdown we have successfully organized Covid awareness quizzers, several International and national web conferences, Webinars, e-workshops.

Schedule for Science Exhibition & Poster Competition

28 March, 2023

Inauguration: 11.00 AM

Inaugural Talk by: Dr. Shushant Punekar

Chairperson: Dr. Panjab Chavan (Principal, Digambarrao Bindu college Bhokar, Nanded).

On topic: Fun in Science Learning and Experimentation

Registration & Submission of Poster 11.00 to 11.00 AM

Model/ Poster Presentation: 12.00 to 12.00 Noon

(Poster should be prepared in 1 X1 meter.

Theme for Science Exhibition:

- ✓ Environment & Ecology
- ✓ Solid waste management
- ✓ Women empowerment
- ✓ Microbial World
- ✓ Technology and innovation
- ✓ Information Communication Technology for Education
- ✓ Skill Development & Entrepreneur
- ✓ Renewable Energy
- ✓ Waste to wealth
