**PREAMBLE:**

Forging partnerships and building relationships with fellow institutions, agencies and NGOs will definitely lead to an active role in the society and subsequently to a meaningful achievement in the present globalized world. It is, in fact, the need of the hour to work in collaboration to achieve and maintain quality standards in Teaching – Learning – Evaluation, Research and Extension activities. This helps to produce quality student services and may also serve to complement skills and resources between the two parties. The institutes and NGOs should join their hands to improve the standards in the field. This collaboration will also help to tackle and find solutions to particularly, the local problems and work together for the sustainable development of the area.

In view of the increasing adverse effects of the global warming and other environmental hazards on human life on and of the campus. The College Management has decided to take appropriate measures to create awareness among the stakeholders on Water conservation, and other environmental factors affecting human life. As the College does not have the expertise, it has decided to rope in an NGO having proven track record in the field for not only making the campus green and pollution free but also conduct awareness programme for all the stakeholders. It is found that “Paramvishwa Foundation” a Nanded based Non-Governmental Organization (NGO) has been doing a great job in the fields like water conservation, rain water harvesting, green campus promoting alternative energy sources, etc.

Now, therefore, both the parties have decided to enter into this Memorandum of Understanding (herein after referred to as MOU), which defines the framework for the mutual cooperation set out in the following sections.

The quality enhancement measures implemented post – NAAC have subsequently led to get ‘A’ Grade in the University Academic Audit (2019). As a recognition to our unstinted efforts in the field of quality education and-extension activities, Swami Ramanand Teerth Marathwada University, Nanded has honoured the College with the award of the ‘Best College (Rural) in the year 2019.
