He is also working as Network Administrator of Yeshwant Mahavidyalaya Nanded from 2007 the job is to handle campus wide network and also created and maintaining college website which includes online registration system for junior college.

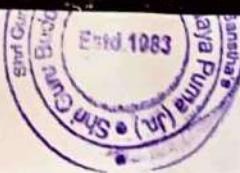

ABOUT THE TITLE

As the students to get the real practical knowledge of programming languages there is need of some book which theoretically and practically elaborate the thing in programming languages. We design the book Lab Manual-(C++) in such a way that students of Undergraduate and Postgraduate level should get the detailed knowledge of the particular programming language (in this book it is about C++). This lab manual covers almost all programs of C++ from fundamentals to exception handling.
